

How to Cut & Sew SANTA STOCKING:

Step 1

Cut 2—Cuffs.

Step 2

Cut 2—Stockings. This is a directional shape so be sure to fan-fold fabric, cutting wrong or right sides together.

Step 3

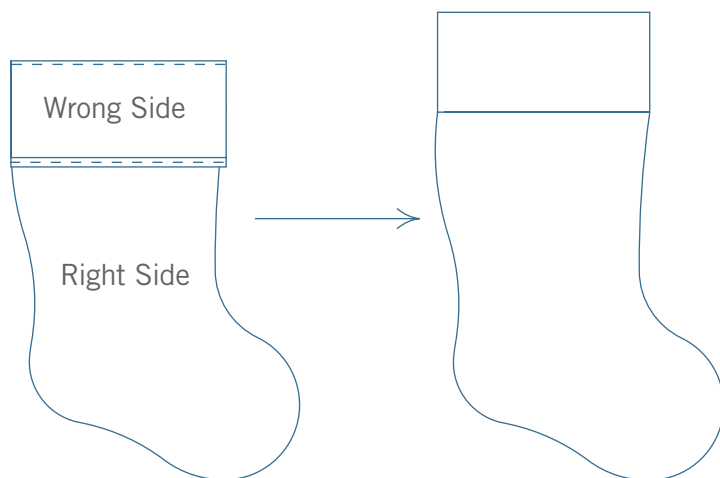

Make a $\frac{3}{8}$ " fold on Cuff by placing wrong sides together and pressing. Top-stitch $\frac{1}{8}$ " from top of fold. Repeat with second Cuff.

How to Sew **SANTA STOCKING:** continued

Step 4

Place Cuff and Stocking right sides of fabric together. Sew Cuff to top edge of Stocking. Press towards Stocking. Repeat with second Stocking and press towards Cuff so seams interlock.

Step 5

Place right sides of Stocking/Cuff together and stitch. Leave opening at top of the Cuff. Be sure to backstitch at beginning and end of stitching. Attach hanging loop, if desired. Clip curves up to the stitch line, where needed. Turn right sides out and press.

Finished Stocking

Personalize your stocking using Studio Alphabet Dies or your favorite embroidery designs.
