

GO!® LeMoyne Star-9" Finished

Item Number: 55453

Fabric Cutting Tips for a 2-color, 9" finished LeMoyne Star block:

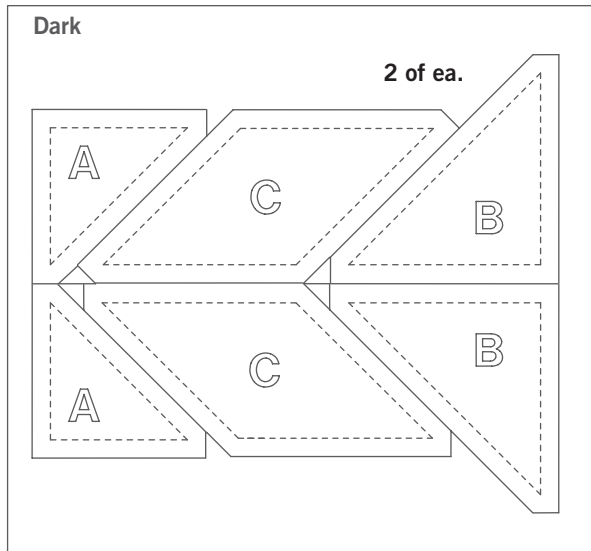

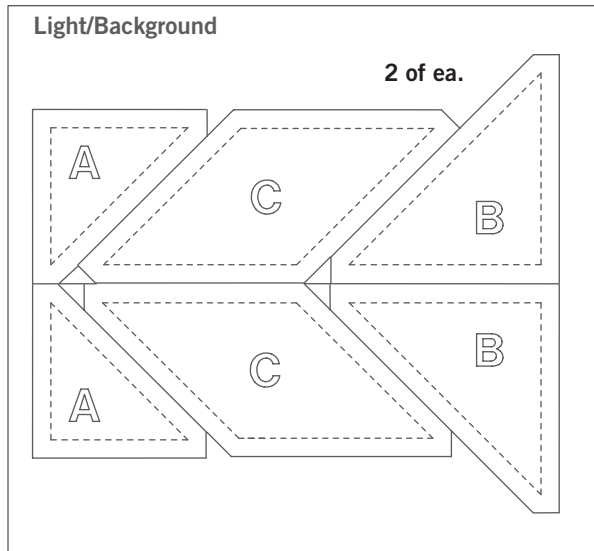

Place fabric over shapes then run through the cutter:

For best cutting results, position fabric on the lengthwise grain (straight of grain) as it goes under the roller.

- **TIP:** To create a 2-color LeMoyne Star Block: Cut four layers at a time with two layers of the first color, fabric right sides up and two layers of a second color, wrong sides up.
- Cut 7¾" x 6¾" rectangles. Layer two layers of the same color right sides up and two layers of a second color wrong sides up on the blades and cut. For a 2-color design, three cuts across the width of fabric yield enough pieces for three complete blocks; and one yard of 40" wide fabric in each color will yield 10 blocks.

Shapes needed for 9" finished LeMoyne Star

How to Sew the LeMoyne Star Quilt Block:

Step 1

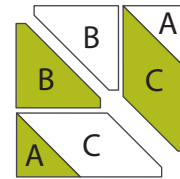

Remove cut pieces from die and lay out your block with dog-eared corners facing as shown.

Step 2

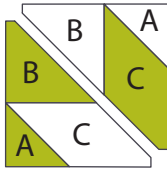

Sew piece A to piece C matching up dog-eared corners.

Step 3

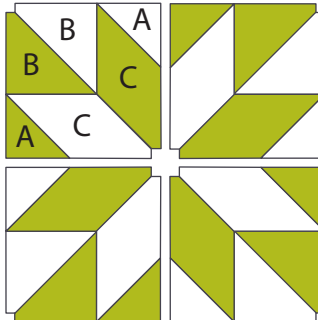

Align piece B to edge of A/C unit. Sew from outside edge to make A/B/C unit.

Step 4

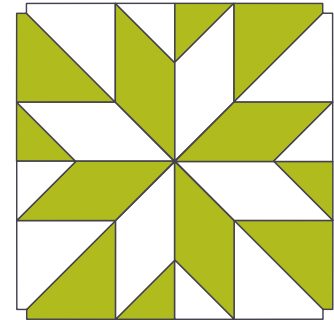

Sew two A/B/C units together to complete the quarter unit.

Step 5

Follow steps 2-4 to make remaining quarter units.

Step 5

Sew units together to make LeMoyne Star block. Block should measure 9½" x 9½".
