How to Sew the 5-color, 14" finished Prairie Star Block:

*For easy Y seams, be sure to mark your 1/4" point on the wrong side of all pieces where they intersect. Sew shapes by starting at the outside, sewing to the 1/4" mark and stopping. Then flip the piece to sew from the outside to the center again. Do not overlap your stitches. Backstitching when stopping will help secure the seam.

Step 1

*Tip: Lay out block shapes before assembling. Sew two A pieces together to create an A/A unit as shown. Make 8.

Step 2

Sew another A piece to the A/A unit as shown. Make 8.

Step 3

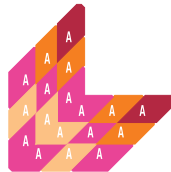

Continue to sew A/A/A units together as shown. Make 8.

Step 4

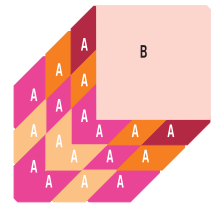

Sew another A/A/A unit to the existing A/A/A units as shown. Make 8 total units.

Step 5

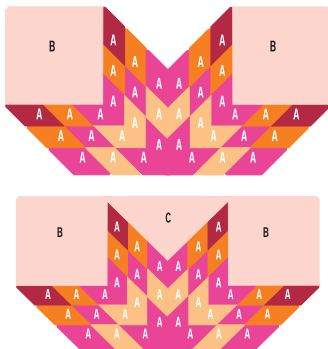

Sew two 'A' units together. Make 4 units.

Step 6

Step 8

Sew mirrored units together following diagram.
