How to Sew 3-color, 6" and 12" finished Signature Circles Blocks:

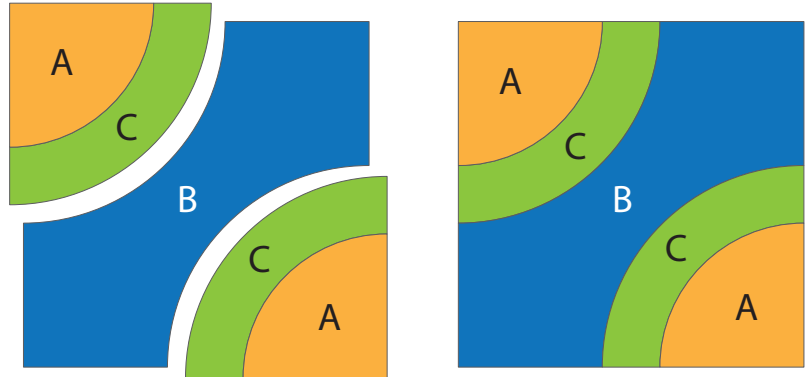

The How to Sew instructions show you how to assemble the 6" and 12" finished blocks. Use a consistent 1/4" seam allowance and stretch or ease fabrics as needed to ensure a smooth seam. Press seams as directed in your pattern.

Step 1

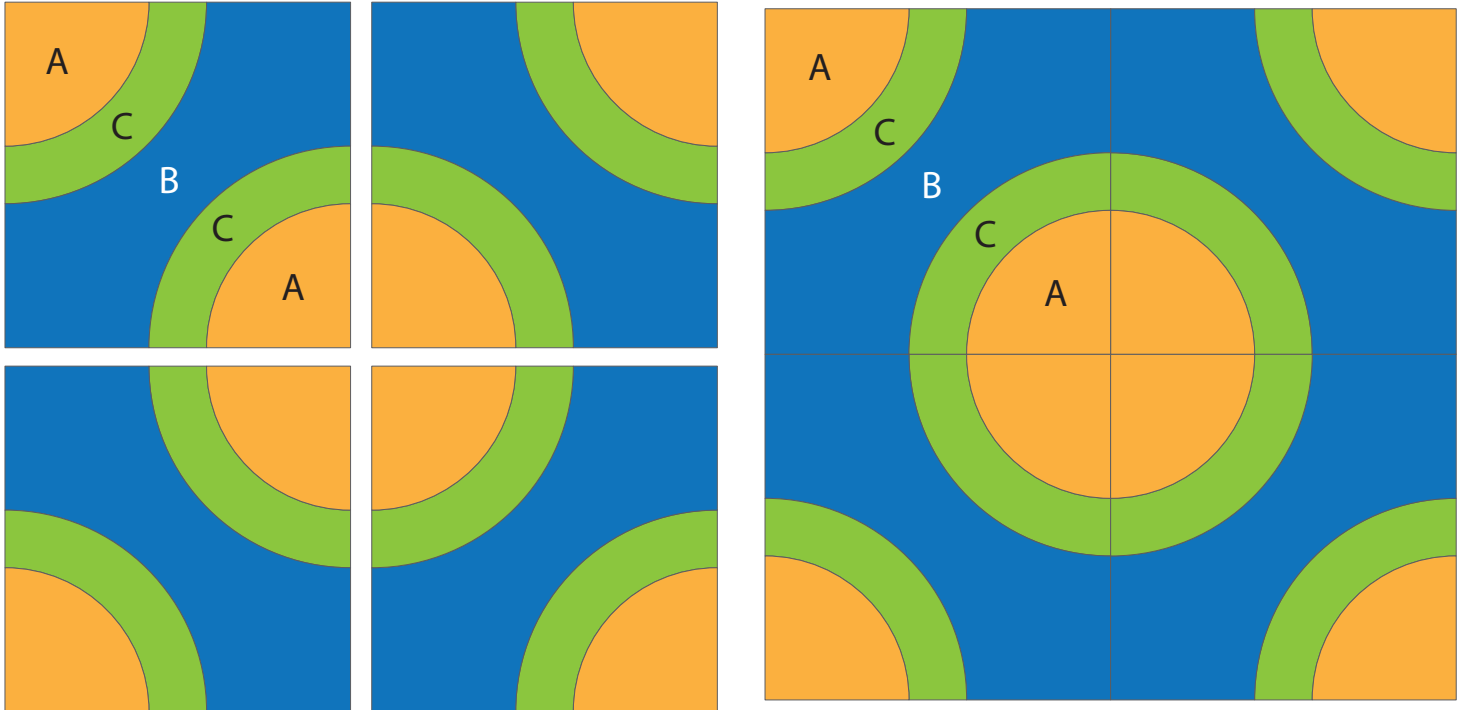

Sew A shape to C shape. Hint: Lay C concave shape on top of A convex shape, right sides together, match up notches and pin. Aligning raw edges, match corners and pin as needed to ensure a smooth seam. Make 2 units.

Step 2

Sew an A/C unit to either side of B shape, matching up notches and sewing with B concave unit on top as it goes under needle. Block should measure 6 1/2" x 6 1/2".

Step 3

To create a 12" finished block, lay out four units as shown. Sew units into rows. Sew rows together to make a complete block.
