GO!® Santa Stocking

Item Number: 55854

### How to Sew the Santa Stocking:

Step 1

Cut two cuffs.

Step 2

Cut two stockings. The stocking is a directional shape so be sure to fanfold fabric, cutting wrong or right sides together.
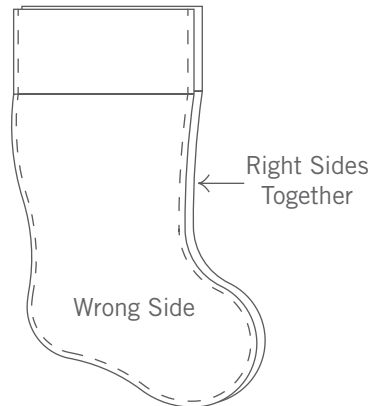

Step 3

$^3/_8$" fold →   Wrong Side

Wrong Side   ← Top Stitch $^1/_8$" from top of fold.

Make a $^3/_8$" fold on cuff by placing wrong sides together and pressing. Top-stitch $^1/_8$" from top of fold. Repeat with second cuff.

Step 4

Wrong Side

Right Side

Place cuff and stocking right sides of fabric together. Sew cuff to top edge of stocking. Press towards stocking. Repeat with second stocking and press towards cuff so seams interlock.

Step 5

Right Sides Together

Wrong Side

Place right sides of stocking/cuff together and stitch. Leave opening at top of the cuff. Be sure to backstitch at beginning and end of stitching. Attach hanging loop, if desired. Clip curves up to the stitch line, where needed. Turn right sides out and press.
