

### 12 1/2" Square Trimming:

- Square up 12 1/2" block using outside edges.

### 6 1/2" Square Trimming:

- Square up 6 1/2" block using inner edges.
- Tilt rotary cutting blade at a slight angle when placing into teardrop shape for easy insertion.

### Fussy-cutting:

- Position ruler on desired image so that it is perfectly in the center of the ruler.
- Using a rotary cutter, trim excess fabric from all four outer or inner sides.
