Pinwheel Spark

A Sampler Journey with 9 Inspired Blocks

Inspired by the original block design book by Leonie West, this curated collection brings the magic of the Pinwheel Template Set to life—through the creative lens of five talented Sew Steady educators.

Pinwheel Spark: A Sampler Journey with 9 Inspired Blocks is a mini book showcasing 9 standout block designs selected from Leonie's Exploring the Pinwheel Tool Set—a comprehensive resource with over 80 blocks and layout ideas.

In this special edition, you'll follow step-by-step guidance to stitch your own sampler quilt using 6 handpicked blocks. Educator Mendy Tippetts leads you through the sampler creation with clear instructions and exclusive instructional videos, showing how to complete the quilt using the new AccuQuilt Pinwheel Shape Set or the Westalee Design Pinwheel Template Set—offering a fresh, die-cutting-friendly approach to the classic designs.

Each block includes tool recommendations and techniques, so you can confidently bring each design to life—whether using templates, or die cutting.

But the inspiration doesn't stop there. Our amazing Sew Steady educators also highlight additional projects using the featured blocks. These additional projects can be purchased on our Sew Steady University. Get ideas, variations, and finished samples to spark your creativity.

This book includes:

- A guided sampler quilt project by Mendy Tippetts with video instruction
- The option to use the AccuQuilt Pinwheel Shape Set or the Westalee Design Pinwheel Template Set
- Tool guidance for each block—no guesswork needed!
- A full-color look book of completed quilts, variations, and educator-led class projects
- Coloring pages for each block to explore color options for your projects

Whether you're learning, teaching, or just ready to dive into a creative new project, Pinwheel Spark offers the perfect blend of instruction and inspiration—crafted by Sew Steady and brought to life by the educators who know the tools best.

Your Pinwheel journey starts here—one inspired block at a time.

This project is sure to spark your creativity!

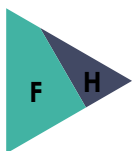

Shadowed Dizzy Geese

This block is part of the Pinwheel Spark Sampler Quilt Project

Making the Block

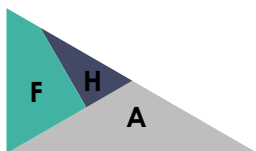

AccuQuilt's Pinwheel Shape Set Die is used to make this block.

Can also use 4 Westalee Design Pinwheel Block Set Tools: A, F, G & H

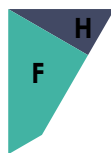

Step 1

Sew shape H to shape F facing left as shown. Make 4.

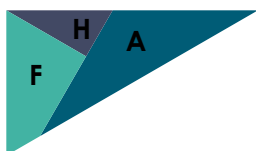

Step 2

Sew H/F unit to shape A as shown. Make 4.

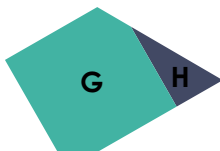

Step 3

Sew shape H to shape F facing right as shown. Make 4.

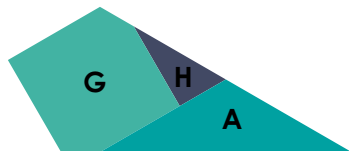

Step 4

Sew H/F unit to shape A as shown. Make 4.

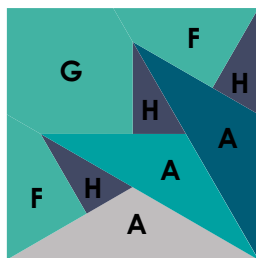

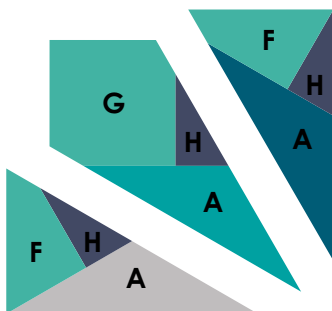

Step 5

Sew shape H to shape G as shown. Make 4.

Step 6

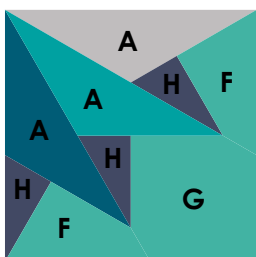

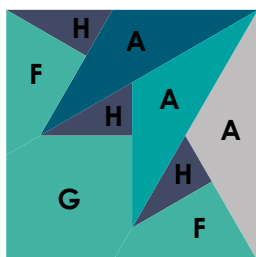

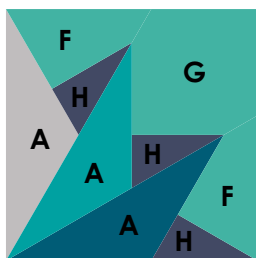

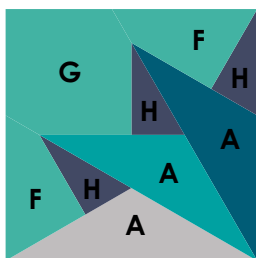

Sew H/G unit to shape A as shown. Make 4.

Step 7

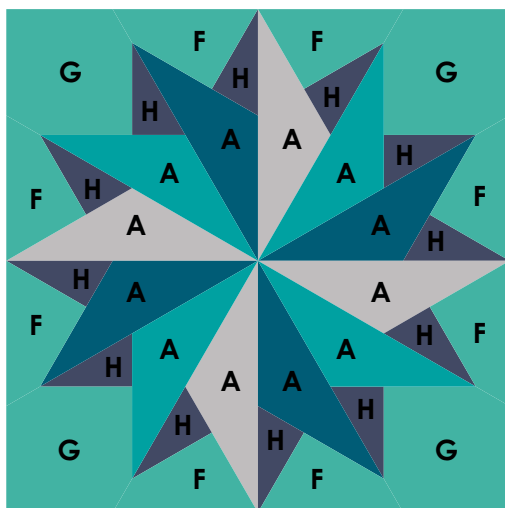

Sew H/F/A unit left, H/F/A unit right and H/G/A together as shown to make quarter block.

Shadowed Dizzy Geese

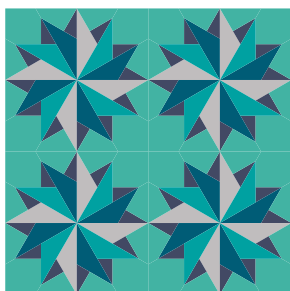

Step 8

Sew quarter blocks into rows, then sew rows together to complete block.

Block should measure 12½" x 12½".

Butterfly

This block is part of the Pinwheel Spark Sampler Quilt Project

Making the Block

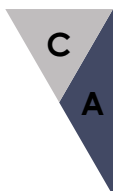

AccuQuilt's Pinwheel Shape Set Die is used to make this block.

Can also use 3 Westalee Design Pinwheel Block Set Tools: A, C & D

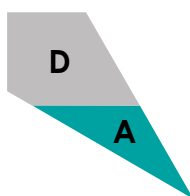

Step 1

Sew shape A to shape C facing left as shown. Make 4.

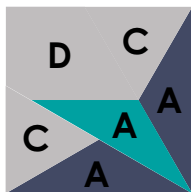

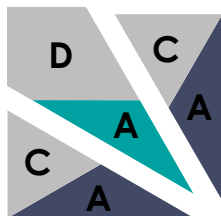

Step 2

Sew shape A to shape C facing right as shown. Make 4.

Step 3

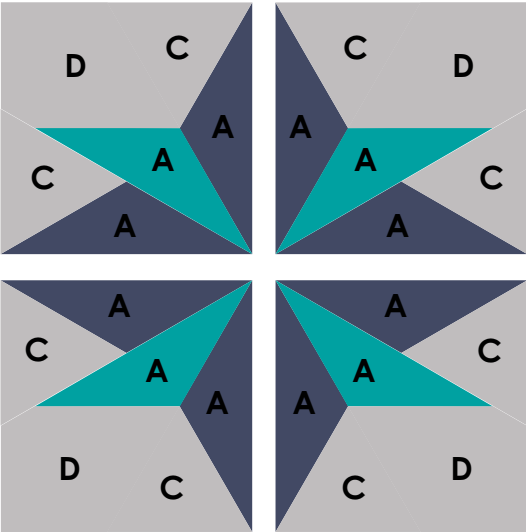

Sew shape A to shape D facing left as shown. Make 4.

Step 4

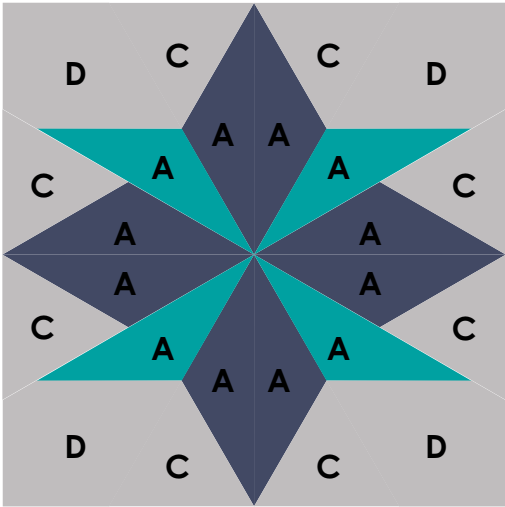

Sew two A/C units to A/D unit as shown, so A/D unit is in the center. Make 4.

Butterfly

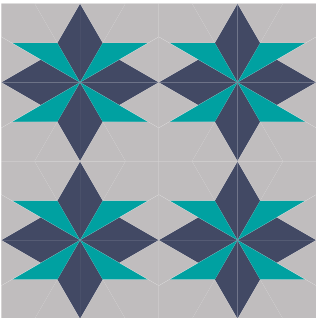

Step 5

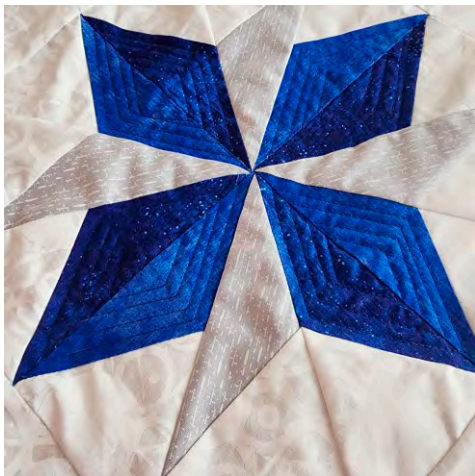

Sew quarter blocks into rows, then sew rows together to complete block.

Block should measure 12½" x 12½".
