Spinning Petals Template

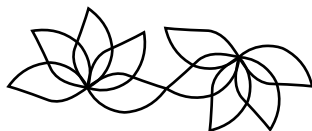

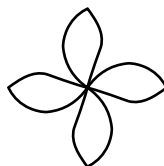

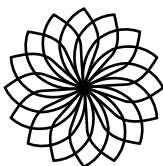

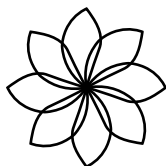

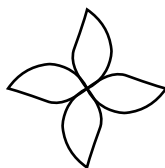

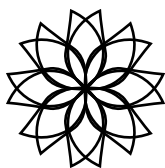

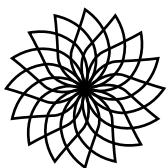

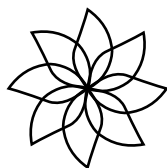

2 sizes of ruler work design

About the Template

Launched in 2012, the Westalee Design Spin-e-Fex line are quilting templates which allow you to create segmented circular motifs, through a stitch-then-advance process. Once all advances have been stitched, a beautifully intricate design is revealed!

Stunning Ruler Work Designs

Block, border, fill and edge to edge designs are all possible with this versatile Template. There are a myriad of design options this Template is sure to inspire.
